PRESS RELEASE 20 July 2020

Co-op and Landmark Estates award prizes to Sway Junior Parish Council

On Wednesday 15th July, representatives from Landmark Estates, the Co-op and Sway Parish Council were in attendance to present prizes to the winner and three runners-up of the Sway Junior Parish Council poster design competition.

The Chair of the Junior Parish Council was presented with a cheque for £500 from James Bradley, Managing Director of Landmark Estates.

First prize winner - a large Co-op hamper and gift voucher - was presented to Cllr Freya Marnell, 10yo, and the runners up Cllr Louise Clark, 11yo, Cllr Aaron Marshall, 9yo, and Cllr Thomas Clark, 8yo, were each given a box of goodies by Colin Hayward, Area Manager of the Co-op. Cllr Dawn Bampton (Vice Chair of the Parish Council) accepted a prize on Aaron's behalf.

Each of the children had drawn a picture depicting how they envisaged the new build would, or should look, and these are available to see on the hoardings at the front of the development. We await with interest how accurate they are!

The shop is expected to open later this year and the winners have been invited to participate in the ceremony.

Cllr Dawn Bampton said "It was a delight to see the response of the members of Sway Junior Parish Council which shows how strong the village community is, with a great future ahead to look forward to."
